Family, Career and Community Leaders of America, Inc. Advisor Recognition Program MASTER ADVISOR

Without capable adult leaders, students could not take advantage of the many opportunities offered through Family, Career and Community Leaders of America. Being a good advisor takes special skills and a tremendous commitment of time and energy. Exceptional advisors motivate their chapters to take advantage of opportunities beyond the local level, use a wide variety of resources available to them and encourage student involvement. These advisors also share their expertise by offering advisor workshops to work one-on-one with new advisors.

Family, Career and Community Leaders of America's Advisor Recognition Program seeks to reward outstanding local advisors--those who make significant contributions to the organization. This recognition will attract attention from administrators and community members and call attention to the value of vocational family and consumer sciences programs.

The Advisor Recognition Program recognizes advisors at two levels.

- * **Master Advisor** recognizes outstanding advisors who operate co-curricular chapters with a balanced program of work.
- * **Advisor Mentor** recognizes advisors who have achieved the level of Master Advisor and have worked with beginning advisors to orient them to Family, Career and Community Leaders of America.
